1. ACCEPTANCE, LANGUAGE, MERGER AND SEVERABILITY

(a) CONTRACTOR's acknowledgment, acceptance of payment, or commencement of performance, shall constitute CONTRACTOR's unqualified acceptance of this Contract.

(b) Unless expressly accepted in writing by ULA, additional or differing terms or conditions proposed by CONTRACTOR or included in CONTRACTOR's acknowledgment are objected to by ULA and have no effect.

(c) All reports, correspondence, drawings, notices, marking, and other communications shall be in the English language. The English version of the Contract shall prevail. Unless otherwise provided in writing all documentation and work shall employ the units of United States Standard weights and measures.

(d) This Contract integrates, merges, and supersedes any prior offers, negotiations, and agreements concerning the subject matter hereof and constitutes the entire agreement between the parties.

(e) Each clause, paragraph and sub-paragraph of this Contract is severable, and if one or more of them are declared invalid, the remaining provisions of this Contract will remain in full force and effect.

2. CHANGES

(a) Only the Procurement Representative has authority to make changes to this Contract. All changes must be in writing and executed by the parties.

(b) Within the general scope of this Contract, the Procurement Representative may at any time, by written notice, and without notice to sureties or assignees, make changes within the general scope of this Contract, in any one or more of the following: (i) drawings, designs, or specifications; (ii) description of services; (iii) method of shipping or packing; (iv) place of inspection, acceptance, or point of delivery; (v) time of performance; (vi) place of performance; (vii) delivery schedule; and (viii) terms and conditions of this Contract required to meet ULA's obligations under Government prime contracts. If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of this Contract, ULA shall make an equitable adjustment in the Contract price and/or delivery schedule, and modify this Contract accordingly. Changes to the delivery schedule or time of performance will be subject to a price adjustment only. CONTRACTOR must request any equitable adjustment under this clause within thirty (30) days from the date of receipt of the written change order from ULA. If the CONTRACTOR's proposed equitable adjustment includes the cost of property made obsolete or excess by the change, ULA shall have the right to prescribe the manner of disposition of the property. Failure to agree to any adjustment shall be resolved in accordance with the "Disputes" clause of this Contract. However, nothing contained in this "Changes" clause shall excuse CONTRACTOR from proceeding without delay in the performance of this Contract as changed.

(c) ULA personnel other than the Procurement Representative may from time to time render assistance or give technical advice or discuss or effect an exchange of information with CONTRACTOR's personnel concerning the Work hereunder. No such action shall be deemed to be a change and shall not be the basis for equitable adjustment.

(d) For any other changes, the parties shall mutually agree to make changes.

3. DISPUTES AND ARBITRATION

(a) **Continuation of Performance.** CONTRACTOR will perform the Work as set forth in this Contract. If ULA requires CONTRACTOR to perform work that CONTRACTOR does not believe this Contract requires it to perform (hereafter referred to as "Disputed Work"), then CONTRACTOR will perform the Disputed Work and will start the dispute resolution procedure in accordance with this clause, to determine whether CONTRACTOR should be paid additional money for this work.

(b) **Management Consultation.** Any dispute between the parties will first be referred to each party's senior management for resolution. The senior managers will meet and confer with respect to the subject under dispute.

(c) **Arbitration.** Any dispute arising out of or relating to this Contract, or any breach of this Contract, that the parties have been unable to resolve by management consultation as provided in paragraph (b), will be resolved exclusively by arbitration. The arbitration will be in accordance with the rules prepared by the American Arbitration Association except as specifically modified in this Contract.

(i) **Agreement to Arbitrate.** The award of the arbitrator shall be final and binding upon the parties.

(ii) **Governing Rules.** The arbitration shall be in accordance with the rules of commercial arbitration of the American Arbitration Association, except that in the event of any conflict between those rules and the arbitration provisions of this Contract, the provisions of this Contract shall govern.

(iii) **Appointment of Arbitrator.** The number of the arbitrators shall be one. Upon application of one of the parties to this Contract, the American Arbitration Association in Denver, Colorado shall appoint the arbitrator. The arbitration, including the making of the award, shall take place in Denver, Colorado.

(iv) **Commencement of Arbitration.** Either party may commence an arbitration by applying to the American Arbitration Association office in Denver for appointment of an arbitrator. The application for appointment will identify the other party to this Contract by name and address. A copy of the application for appointment of an arbitrator will be sent to the other party.

(v) **Issues in Dispute.** The application for appointment will specify the issues that are in dispute, the position of the initiating party as to those issues, the identity of the parties with whom the initiating party is in dispute, and will state the remedy that the initiating party seeks.

(vi) **Award.** The arbitrator is authorized to award damages to the prevailing party and to order specific performance of any contractual obligation that he finds a party is failing to perform. The arbitrator will make the award within thirty (30) business days from the date established for final submittal of oral or written statements and documents to the arbitrators. An award will be in writing, will state the precise reasons for the award and will specify the remedy or relief granted, if any.

(vii) **Enforcement.** An award by the arbitrator will be final and conclusive as to the issue or issues that were the subject of the arbitration. The parties to this Contract exclude any right of application or appeal to any court and, in particular, in connection with any questions of jurisdiction or question of law arising in the arbitration or out of the award. The award will be enforceable in any court having jurisdiction over the party against whom enforcement is sought.

(viii) **Language.** The parties will use English as the single language for the arbitration proceeding. Simultaneous interpretation shall be allowed.

(ix) **Interim or Provisional Remedies.** Any party commencing an arbitration under this Contract may seek from any court of competent jurisdiction a temporary remedy (such as an injunction or order to refrain from taking certain action) that is needed to preserve assets or the rights of that party while the arbitration is being conducted. Once an arbitrator is appointed, the arbitrator may impose a temporary remedy, in addition to or to supplement any temporary remedy imposed by the court.

(x) **Attorneys' Fees and Expenses.** Each party shall bear its own costs, including attorneys' fees, related to any arbitration proceeding brought pursuant to this Contract.

4. GOVERNING LAW AND LEGAL NOTIFICATION

(a) This Contract, and all claims relating to or arising out of this Contract, or the breach thereof, whether sounding in contract, tort or otherwise, shall be governed in accordance with the laws of the State of Colorado, excluding that State's choice-of-law principles. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Contract.

(b) CONTRACTOR agrees to provide ULA with prompt written notification of any legal action, subpoena, claim, notice, demand or other legal proceeding brought against CONTRACTOR relating to or arising out of the Work performed under this Contract.

5. RIGHTS AND REMEDIES

(a) Except as otherwise limited in this Contract, the rights and remedies set forth herein are cumulative and in addition to any other rights or remedies that the parties may have at law or in equity. Any failures, delays or forbearances of either party in insisting upon or enforcing any provisions of this Contract, or in exercising any rights or remedies under this Contract, shall not be construed as a waiver or relinquishment of any such provisions, rights or remedies; rather, the same shall remain in full force and effect.

(b) ULA's approval of documents shall not relieve CONTRACTOR of its obligations to comply with the requirements of this Contract.

6. COMPLIANCE WITH LAWS

(a) In performing this Contract, CONTRACTOR agrees to comply with all applicable local, state, and United States federal laws, orders, rules, regulations, codes and ordinances ("Laws") that may affect performance of this Contract. CONTRACTOR shall indemnify, defend and hold harmless ULA against any liability, fine or penalty that may be imposed upon ULA as a result of CONTRACTOR's failure to comply with such Laws.

(b) CONTRACTOR represents that each chemical substance constituting or contained in Work sold or otherwise transferred to ULA hereunder is on the approved list of chemical substances compiled and published by the Administrator of the Environmental Protection Administration pursuant to the Toxic Substances Control Act (15 U.S.C. Sec. 2601 et seq.) as amended.

(c) CONTRACTOR shall provide to ULA with each delivery any Material Safety Data Sheet applicable to the Work in conformance with and containing such information as required by the Occupational Safety and Health Act of 1970 and regulations promulgated thereunder, or its State approved counterpart.

(d) CONTRACTOR represents and warrants that it is not included on the Excluded Parties List System (EPLS) and agrees to notify ULA immediately upon learning that it or any of its affiliates and/or Subcontractors has been proposed for inclusion in the Excluded Parties List System (EPLS).

7. EXPORT CONTROL

(a) Technical data, defense services, software and/or hardware furnished under or in connection with this Contract may be subject to U.S. export or import control laws and regulations, and may be subject to export or import laws and regulations of other countries. All Parties agree to comply with all such laws and regulations.

(b) The CONTRACTOR agrees to reasonably cooperate with ULA for assessments, audits and other fact-finding required to ensure compliance to U.S. export/import laws and regulations or as part of an investigation or corrective action related to a potential or actual violation of U.S. export/import laws and regulations. The CONTRACTOR will provide input for such activities in a timely and accurate manner. This subparagraph shall be flowed down to any authorized Subcontractors, as applicable.

(c) Where applicable, CONTRACTOR as the Foreign Principal Party in Interest (FPPI) agrees to notify its designated U.S. freight forwarder in writing that ULA will submit its own Automated Export System (AES) authorizations. CONTRACTOR additionally agrees to advise its forwarder to furnish ULA a copy of the export bill of lading verifying that the AES authorization provided by ULA has been properly listed.

(d) Where the CONTRACTOR is a signatory or party under a ULA export agreement (e.g. TAA, MLA, DWA) or license, CONTRACTOR shall provide prompt notification to ULA in the event of changed circumstances including, but not limited to, change in name, address, ownership, organization restructure with another company, ineligibility in accordance with ITAR, part 126.13(a)(3), violation or potential violation of the ITAR, or the initiation or existence of a U.S. Government investigation, that could affect CONTRACTOR's performance under this Contract. This subparagraph shall be flowed down to any authorized Subcontractors as applicable.

(e) For imported, duty paid merchandise that ULA subsequently re-exports, ULA retains all duty-drawback rights. The CONTRACTOR agrees to support ULA in a timely manner by providing necessary documentation to claim duty drawbacks.

(f) Should an item imported directly from a foreign supplier be eligible for a free or reduced duty rate under a specific trade program such as NAFTA, Generalized System of Preferences-GSP, or other region/country specific free trade agreement, the CONTRACTOR agrees to provide and maintain documentation necessary to support such claims. ULA will provide information to the CONTRACTOR regarding any duty minimization opportunities.

(g) When CONTRACTOR is responsible for clearing the Work through United States Customs, CONTRACTOR will neither cause nor permit ULA's name to be shown as "Importer Of Record" on any customs declaration form or other documentation.

(h) For any shipment arriving in the U.S. by ocean transport vessel, U.S. Customs & Border Protection (CBP) requires an Importer Security Filing (ISF) to be completed 24 hours PRIOR to vessel departure from the originating country. ULA will submit the Importer Security Filing, but must obtain certain data elements from the CONTRACTOR in order to accomplish this task. CONTRACTOR agrees to cooperate with ULA in order to meet this requirement. Failure to submit an ISF to CBP in a timely manner can subject ULA to fines and/or penalties. Under no circumstances should a shipment to ULA be made without advance coordination.

(i) CONTRACTOR will notify the Procurement Representative five (5) days in advance of any delivery of Work under this Contract so that the Procurement Representative can provide instructions as to the shipping and customs forms that will need to accompany the Work. CONTRACTOR agrees to provide the documentation that is required by ULA, completed in accordance with ULA's instructions. CONTRACTOR agrees to take all other action reasonably requested by ULA to expedite customs clearance in the United States for the Work.

(j) The CONTRACTOR agrees to provide timely and accurate reporting of fees and commissions paid related to Part 130 of the ITAR, when applicable. This subparagraph shall be flowed down to any authorized Subcontractors, as applicable.

(k) CONTRACTOR agrees to identify and obtain ULA approval prior to permitting third country/dual nationals to perform under this Contract. In addition, since the State Department currently considers birth country as a factor in determining nationality, for export purposes, the CONTRACTOR agrees to identify any individual whose birth country is different than their nationality/citizenship promptly upon discovery. For all Work on this Contract CONTRACTOR agrees to comply with U.S. export and import laws relating to third country/dual nationals, including the obtainment of State-mandated Non-Disclosure Agreements with such individuals, as applicable. This clause shall be flowed down to any authorized Subcontractors, as applicable.

(l) United States Customs and Border Protection's Customs Trade Partnership Against Terrorism (C-TPAT) is an initiative between business and government to protect global commerce from terrorism and increase the efficiencies of global transportation. The program calls for importers, carriers and brokers to establish policies to enhance their own security practices and those of their business partners involved in their supply chain. Such practices may include but are not limited to the following:

- 1) Procedural Security – Procedures in place to protect against unmanifested material being introduced in the supply chain.
- 2) Physical Security – Buildings constructed to resist intrusion, perimeter fences, locking devices, and adequate lighting.
- 3) Access Controls – Positive identification of all employees, visitors, and suppliers.
- 4) Personnel Security – Employment screening, background checks and application verifications.
- 5) Education and Training Awareness – Security awareness training, incentives for participation in security controls.

CONTRACTOR agrees to work with ULA and appropriate industry and governmental agencies, as necessary, to develop and implement policies and processes consistent with the C-TPAT initiative to ensure the safe and secure transport of Work under this Contract. CONTRACTOR should not make changes and/or modifications, billable to ULA, to current security systems and procedures without first obtaining ULA's concurrence.

(m) CONTRACTOR shall use export-controlled technical data and/or hardware, only in the provision of data and/or services and manufacture of Work in accordance with this Contract and within the constraints of any applicable U.S. export license or agreement. CONTRACTOR will not retransfer ULA-provided export-controlled hardware or data, including derived or extracted data, to a sub-tier supplier(s) or any other party without prior approval from ULA. CONTRACTOR may have to obtain U.S. State Department-mandated Non-Disclosure Agreements, Non-Transfer and Use Certificates, or other required documentation before ULA can approve a retransfer. Upon retransfer approval, CONTRACTOR shall ensure ULA's export-controlled legends are maintained on all retransferred controlled data received from ULA, or derived from ULA data. This clause shall be flowed down to any authorized Subcontractors, as applicable.

(n) CONTRACTOR shall indemnify, defend and hold harmless ULA, its officers, employees, and agents from any losses, costs, claims, causes of action, damages, liabilities, and expenses, including attorney fees, all expenses of litigation and/or settlement, and court costs caused in whole or in part by the actions or omissions of CONTRACTOR, its officers, employees, agents, suppliers, or Subcontractors in relation to its export/import activities.

8. FORCE MAJEURE

(a) Except for a default of CONTRACTOR's subcontractor at any tier, CONTRACTOR shall be excused from, and shall not be liable for, failure of performance due to one or more of the following qualifying events (such list being exclusive): War; warlike operation; insurrection; riot; fire; flood; explosion; accident; act of God; act of a public enemy; terrorism; acts of the government in its sovereign or contractual capacity; epidemic; and quarantine restriction, and further provided that such event was beyond CONTRACTOR's control and not occasioned by its negligence or default. This Contract will be extended for that period of time attributable to such event upon written confirmation from ULA, subject to subparagraph (b) below. ULA shall be excused from, and shall not be liable for failure to perform due to any of the causes identified above.

(b) In order to be excused from performance under subparagraph (a) above CONTRACTOR shall submit, within ten (10) calendar days of the start of the qualifying event, a written notice providing a complete and detailed description of such event, the date of commencement, an estimate of the probable period of delay, and explanation indicating how such event was beyond the control of the CONTRACTOR and not due to its negligence or fault and what efforts CONTRACTOR will make to minimize the length of delay.

CONTRACTOR shall submit within ten (10) calendar days of the end of the event a written notice stating the impact to the schedule and evidence justifying the length of the delay. If the delay extends for thirty (30) days or more this Contract may be terminated by ULA without additional cost, except for payment for Work completed prior to the commencement of the delay.

(c) Failure of the United States Government to issue any required export license, or withdrawal/termination of a required export license by the United States Government, shall relieve ULA of its obligations under this Contract.

9. DEFAULT

(a) ULA, by written notice, may terminate this Contract for default, in whole or in part, if CONTRACTOR (i) fails to comply with any of the terms of this Contract; (ii) fails to make progress so as to endanger performance of this Contract; (iii) fails to provide adequate assurance of future performance; (iv) files or has filed against it a petition in bankruptcy; or (v) fails to deliver the Work within the time specified by this Contract or any written extension from the Procurement Representative. CONTRACTOR shall have ten (10) days (or such longer period as ULA may authorize in writing) to cure any such failure after receipt of notice from ULA. ULA may also terminate this Contract in whole or in part in the event of CONTRACTOR's suspension of business, insolvency, material adverse change in financial condition, appointment of a receiver for CONTRACTOR's property or business, or any assignment, reorganization or arrangement by CONTRACTOR for the benefit of its creditors. Default involving delivery schedule delays, bankruptcy or adverse change in financial condition shall not be subject to the cure provision.

(b) ULA may require CONTRACTOR to deliver and transfer title to ULA any supplies and materials, manufacturing materials or drawings, reports or other Contract deliverables that CONTRACTOR has specifically produced or acquired for the terminated portion of this Contract. Upon direction from ULA, CONTRACTOR shall also protect and preserve property in its possession in which ULA or its customer has an interest.

(c) Following a termination for default of this Contract, CONTRACTOR shall be compensated only for Work actually delivered and accepted. Payment for Manufacturing Materials accepted by ULA and for the protection and preservation of property shall be at a price determined by both parties, except that CONTRACTOR shall not be entitled to profit on such materials or property protection activities. ULA may withhold from any amount due under this Contract any sum ULA determines to be necessary to protect ULA or ULA's customer against loss because of outstanding liens or claims of former lien holders. CONTRACTOR shall be liable for ULA's excess re-procurement costs. ULA shall pay the Contract price for Work accepted ULA.

(d) Upon the occurrence and during the continuation of a default, ULA may exercise any and all rights and remedies available to it under applicable law and equity including without limitation cancellation of this Contract. If after termination for default under this Contract, it is determined that CONTRACTOR was not in default, such termination shall be deemed a termination for convenience and CONTRACTOR's remedies shall be limited to those contained in the "Termination for Convenience" clause.

(e) CONTRACTOR shall continue all Work not terminated or cancelled.

10. TERMINATION FOR CONVENIENCE

(a) ULA may terminate part or all of this Contract for its convenience, by giving written notice to CONTRACTOR. Such termination shall not constitute default.

(b) Upon termination, in accordance with ULA written direction, CONTRACTOR will immediately: (i) Cease work; (ii) Prepare and submit to ULA an itemization of all completed and partially completed deliverables and services; (iii) Deliver to ULA any and all Work completed up to the date of termination at the agreed upon prices; and (iv) Deliver upon request any Work in process. In the event ULA terminates for its convenience after performance has commenced, ULA will compensate CONTRACTOR for the actual, allowable, reasonable, allocable and substantiated costs, plus a reasonable profit for Work performed up to and including the date of termination provided CONTRACTOR uses reasonable efforts to mitigate ULA's liability under this clause.

(c) Any termination settlement proposal shall be submitted to ULA promptly, but in no event later than sixty (60) days from the effective date of the termination, unless otherwise authorized in writing by the Procurement Representative. In no event shall the amount of any settlement be in excess of the Contract value.

(d) CONTRACTOR shall continue all Work not terminated. In no event shall ULA be liable for lost or anticipated profits, unabsorbed indirect costs or overhead, or for any sum in excess of the total Contract price.

11. STOP WORK

(a) CONTRACTOR shall stop Work for up to one hundred (100) days in accordance with any written notice received from ULA, or for such longer period of time as the parties may agree and shall take all reasonable steps to minimize the incurrence of costs allocable to the Work during the period of Work stoppage.

(b) Within such period, ULA shall either terminate in accordance with the provisions of this Contract or continue the Work by written notice to CONTRACTOR. In the event of a continuation, an equitable adjustment in accordance with the principles of the "Changes" clause shall be made to the price, delivery schedule, performance schedule, or other provision(s) affected by the Work stoppage, if applicable, provided that the claim for equitable adjustment is made within thirty (30) days after date of notice to continue.

12. ASSIGNMENT

CONTRACTOR shall not assign any of its rights or interest in this Contract or subcontract all or substantially all of its performance of this Contract, without ULA's prior written consent. CONTRACTOR may assign rights to be paid amounts due, or to become due, to a financing institution if ULA is promptly furnished a signed copy of such assignment reasonably in advance of the due date for payment of any such amounts. Amounts assigned shall be subject to setoff or recoupment for any present or future claims of ULA against CONTRACTOR. ULA shall have the right to make settlements and/or adjustments in price without notice to any assignee financing institution.

13. BANKRUPTCY

In the event the CONTRACTOR enters into proceedings relating to bankruptcy, whether voluntary or involuntary, the CONTRACTOR agrees to furnish written notification of the bankruptcy to the Procurement Representative. This notification shall be furnished within five (5) days of the initiation of the proceedings relating to bankruptcy filing. This notification shall include the date on which the bankruptcy petition was filed, the identity of the court in which the bankruptcy petition was filed, the case number, and a listing of all Contracts with ULA. This obligation remains in effect until final payment under this Contract.

14. TIMELY PERFORMANCE

(a) CONTRACTOR's timely performance is of the essence and is a material element of this Contract. No acts of ULA, including without limitation, modifications of this Contract or acceptance of late deliveries, shall constitute waiver of this provision.

(b) Unless advance shipment has been authorized in writing by ULA, ULA may store at CONTRACTOR's expense, or return, shipping charges collect, all Work received in advance of the scheduled delivery date.

(c) If CONTRACTOR becomes aware of difficulty in performing the Work, CONTRACTOR shall timely notify ULA, in writing, giving pertinent details. This notification shall not change any performance or delivery schedule.

(d) In the event of a termination for convenience or Contract change, no claim will be allowed for any manufacture or procurement in advance of CONTRACTOR's normal flow time unless there has been prior written consent by ULA.

(e) Throughout the Contract's period of performance, CONTRACTOR shall notify ULA of any planned obsolescence of the Work in this Contract.

(f) Work shall not be supplied in excess of quantities specified in this Contract. CONTRACTOR shall be liable for handling charges and return shipment costs for any excess quantities. If Work is manufactured with reference to ULA's proprietary information or materials, CONTRACTOR agrees that, pursuant to the "Information of ULA" and, as appropriate the "Intellectual Property and Indemnity" clause of this Contract, it will not sell or offer such Work for sale to anyone other than ULA without ULA's prior written consent.

15. PACKING AND SHIPMENT

(a) CONTRACTOR shall be responsible for ensuring the proper packaging of goods hereunder in accordance with best commercial practice in accordance with ASTM D3951 "Commercial Packaging", unless specific packing instructions are provided,. Except as included in this Contract, CONTRACTOR shall not charge ULA for packing, crating, freight, local cartage, and/or any other related packaging and shipment services. CONTRACTOR shall comply with ULA's written shipping instructions at all times.

(b) A complete packing list shall be enclosed with all shipments. CONTRACTOR shall mark containers or packages with necessary lifting, loading, and shipping information, including the ULA Contract number, item number, dates of shipment, and the names and addresses of consignor and consignee. Bills of lading shall include this Contract number.

(c) Unless otherwise specified, delivery is FCA Free Carrier, in accordance with INCOTERMS 2010 Carrier and site of delivery for the Work shall be specified in the Contract.

16. INSPECTION AND ACCEPTANCE

(a) ULA and its customer may inspect all Work at reasonable times and places, including, when practicable, during manufacture and before shipment. CONTRACTOR shall provide all information, facilities, and assistance necessary for safe and convenient inspection without additional charge.

(b) No such inspection shall relieve CONTRACTOR of its obligations to furnish and warrant all Work in accordance with the requirements of this Contract. ULA's final inspection and acceptance shall be at destination.

(c) If CONTRACTOR delivers non-conforming Work, ULA may, in addition to any other remedies available at law or at equity: (i) accept all or part of such Work at an equitable price reduction; or (ii) reject such Work.

(d) CONTRACTOR shall not re-tender rejected Work without disclosing the corrective action taken.

17. QUALITY CONTROL SYSTEM

(a) CONTRACTOR shall provide and maintain a quality control system to an industry-recognized Quality Standard and in compliance with any other specific quality requirements identified in this Contract.

(b) All quality records to Work performed under this Contract shall be kept complete and available to ULA and its customers. Quality records include receiving and inspection records consisting of reports reflecting receipt and inspection of supplies, equipment, and materials; and production records of quality control, reliability, and inspection. The CONTRACTOR shall contact ULA for approval prior to disposal of quality records.

(c) CONTRACTOR shall promptly notify ULA of any violation of or deviation from CONTRACTOR's approved quality control system. CONTRACTOR shall notify ULA of any Work delivered to ULA during the period of any such violation or deviation.

(d) If CONTRACTOR becomes aware of any nonconformance in the Work purchased under this Contract, CONTRACTOR shall notify the Procurement Representative immediately.

(e) In the event CONTRACTOR receives a Supplier Corrective Action Request (SCAR), CONTRACTOR shall respond within fifteen (15) days from receipt.

18. COUNTERFEIT WORK

(a) For purposes of this clause and the definition of Counterfeit Work, Work consists of those parts delivered under this Contract that are the lowest level of separately identifiable items (e.g. articles, components, goods, and assemblies).

(b) CONTRACTOR shall not deliver Counterfeit Work to ULA under this Contract.

(c) CONTRACTOR shall only purchase products to be delivered or incorporated as Work to ULA directly from the Original Component Manufacturer (OCM)/Original Equipment Manufacturer (OEM), or through an OCM/OEM authorized distributor chain. Work shall not be acquired from independent distributors or brokers unless approved in advance in writing by ULA.

(d) CONTRACTOR shall immediately notify ULA with the pertinent facts if CONTRACTOR becomes aware or suspects that it has furnished Counterfeit Work. When requested by ULA, CONTRACTOR shall provide OCM/OEM documentation that authenticates traceability of the affected items to the applicable OCM/OEM.

(e) This clause applies in addition to any quality provision, specification, statement of work or other provision included in this Contract addressing the authenticity of Work. To the extent such provisions conflict with this clause, this clause prevails.

(f) CONTRACTOR shall develop and implement policies and procedures to eliminate counterfeit electronic parts from the defense supply chain as required under the National Defense Authorization Act for Fiscal Year 2012 and any subsequent law or regulation implementing such Act. Such requirements include: (i) the training of personnel; (ii) the inspection and testing of electronic Counterfeit Work, including criteria for acceptance and rejection; (iii) processes to abolish Counterfeit Work proliferation; (iv) mechanisms to enable traceability of parts to OCMs/OEMs; (v) use and qualification of trusted OCMs/OEMs and OCM/OEM authorized distributor chains; (vi) the reporting and quarantining of electronic Counterfeit Work and suspect electronic Counterfeit Work; (vii) methodologies to identify suspect Counterfeit Work and to rapidly determine if a suspect Counterfeit Work is, in fact, counterfeit; (viii) the design, operation, and maintenance of systems to detect and avoid electronic Counterfeit Work and suspect electronic Counterfeit Work; and (ix) the flow down of counterfeit avoidance and detection requirements to Subcontractors.

(g) In the event that Work delivered under this Contract constitutes or includes Counterfeit Work, CONTRACTOR shall, at its expense, promptly replace such Counterfeit Work with genuine Work conforming to the requirements of this Contract. Notwithstanding any other provision in this Contract, CONTRACTOR shall be liable for all costs relating to the removal and

replacement of Counterfeit Work, including without limitation ULA's costs of removing Counterfeit Work, of installing replacement Work and of any testing necessitated by the reinstallation of Work after Counterfeit Work has been exchanged. The remedies contained in this paragraph are in addition to any remedies ULA may have at law, equity or under other provisions of this Contract.
